

Access Statement for Self-Catering

Wellcroft and Lower Dovehouse.

All have one step at the threshold into the accommodation. Once inside the accommodation is on one level. Lower Dovehouse has an outward opening door into the bathroom.

The car park is situated nearby and the apartments are accessed either by two stone steps or a level entrance near Lower Dovehouse.

Upper Dovehouse

This apartment has a flight of stairs with handrail up to the entrance and 2 steps up into the accommodation. Once inside, the accommodation is on one level.

The car park is situated nearby and the apartments are accessed either by two stone steps or a level entrance near Lower Dovehouse.

Henmoor

There is one step at the threshold of the accommodation. Once inside there is a downstairs bedroom with en-suite shower room and a large open plan kitchen, dining room and sitting room all on the ground floor. From this area there is a flight of stairs, with a hand rail leading to two further bedrooms and the main bathroom.

The car park is situated nearby and the apartments are accessed either by two stone steps or a level entrance near Lower Dovehouse.

Tinwick

Access is up four stone steps, with hand rail, across a threshold step and into a half landing and a further four stairs up into the upstairs accommodation. There is a small staircase, with handrail, from the half landing down to the lower ground floor accommodation.

Tinwick has a shared car park with "The Stables" which is accessed along a roadway behind the Big Barn. Parking is on a gravel surface and from the car park is a pathway leading to the apartment.

The Stables

The Stables shares a car park with Tinwick which is accessed along a roadway behind the Big Barn. There are two parking spaces, one on block paving for disabled access and one on gravel. From the car park there is a block paving patio directly to the door. The apartment inside is all on one level.

There is one step down onto the private Patio area from the apartment. However, this can be accessed by a ramp from the outside of the apartment / car park area.

Barn End

Entry into the hallway is on the level and then one step up and one step down into the sitting room and kitchen. There is level access to a patio area outside the kitchen.

From the hallway landing there is a flight of stairs, with hand rail, to the bedrooms, which are both on the level. From the landing there is one step up into an alcove with seating.

The car park is 30 metres from Barn End. Temporary parking can be outside the apartment on arrival and departure.

Swimming Pool

Access is down a ramp to a level patio area. There is grassed access to the pool which is on the level.

Entry into the pool is down three pool steps (which you can see in the picture). You can also swivel entry from the side into the swimming pool.

Play Area

The play area is accessed from the pathway leading behind the main apartment block towards the swimming pool. You have to walk across a grassy area to access the play area.

We are always happy to advise on the suitability of our apartments to individual needs to ensure a happy and welcoming stay at The Old Stone Barn.
