

Access Statement for Bed and Breakfast

The car park is approximately 30 metres away. Temporary parking can be outside Barn End / The Farmhouse entrance on arrival and departure.

Rooms in Barn End

Entry into the hallway is on the level and there is then one step up and one step down into the sitting room and kitchen and breakfast room. There is level access to a patio area outside the kitchen.

From the hallway landing there is a flight of stairs, with hand rail, to the bedrooms, which are both on the level. From the landing there is one step up into an alcove with seating.

The Farmhouse Room

Access to the Farmhouse Room is on one level and takes you into the porch area. Access to the breakfast room is on one level. There is a flight of stairs from the breakfast room up to the bedroom and once upstairs the bedroom and en-suite are all on one level.

Swimming Pool

Access is down a ramp to a level patio area. There is grassed access to the pool which is on the level.

Entry into the pool is down three pool steps (which you can see in the picture). You can also swivel entry from the side into the swimming pool.

Play Area

The play area is accessed from the pathway leading behind the main apartment block towards the swimming pool. You have to walk across a grassy area to access the play area.

We are always happy to advise on the suitability of our apartments to individual needs to ensure a happy and welcoming stay at The Old Stone Barn.
